

La Siesta Tree and Pole Suspension Set for Hammock Chairs

LS-TMG45-9

La Siesta's patented, tree-friendly suspension straps allow you to easily hang your hammock chairs from trees, beams, and round posts. Thanks to the SmartHook, the height and length can be easily adjusted

without any knots. Developed in Germany, the patented suspension kits are made using the highest-quality materials and workmanship.

- Includes: 1 suspension kit; hammock chair sold separately
- Durable, weather-resistant, and safety tested
