

Nest 18" x 36" Planter

CRGN-A6249

Thanks to an innovative self-watering design, the Nest raised bed planter is the perfect hassle-free container system to grow your herbs, vegetables, and edible flowers. The double-walled planter holds enough water for 2–6 weeks. Simply fill as needed and the TruDrop system keeps plants thriving without overwatering. The

raised height of the bed makes planting, weeding, and harvesting more comfortable. The elegant color options and clean textured lines makes a beautiful addition to your outdoor living space.
