

Outdoor Interiors Teak and Wicker Basket Lounge Chair - Set of 2

WQS-OTIN-TNA2155

Our unique and stylish Basket Loungers provide the ultimate comfort and show-stopping look for any patio and garden. They can be paired with our matching ottomans and various accent tables to complete the setting. The Outdoor Interiors Teak & Wicker Basket Lounger is crafted from the highest quality materials starting with all-Natural plantation-grown FSC Teak wood for long-lasting outdoor use and outstanding durability. Our Ash Gray HDPE All-Weather Wicker, handwoven around durable powder-coated aluminum frames, provides lasting strength, exceptional durability, and stainless steel hardware. Each lounger includes an Olefin Pillow for versatile comfort and lumbar / neck support while lounging. Our Danish styling is designed with clean lines and classic form that brings out the best in what we do and who we are as a company today.
