

Outdoor Interiors Wicker and Eucalyptus Stackable Gray Armchair

WQS-OTIN-21090GR

The Outdoor Interiors Eucalyptus and Gray Wicker Armchair provides great comfort for dining and lounging and stacks for storage and portability.

This all-weather resin wicker and eucalyptus hardwood armchair is made from sustainable, plantation-grown eucalyptus for long-lasting outdoor use and durability in all climates and is finished with a beautiful brown umber stain.

Being on-trend, we have designed this chair with our comfortable and carefree driftwood gray textured HDPE all-weather woven wicker. The chair also stacks easily for storage.
