

Parcel Sentry Junior Locking Parcel and Mailbox

QUA-WF-PB019

The Parcel Sentry Junior is a top loading, locking wall mount parcel mailbox. It features a curved, soft closing lid which covers incoming parcel drop opening. When the lid is raised up a steel plate lifts inside with the lid, then the parcel is placed through the top and drops into a locking compartment (when the lid is closed) keeping contents safe from unwanted hands. Built from thick, heavy gauge galvanized steel with a tough black powder coat finish. Locking retrieval door is fitted with a butterfly lock and comes with a set of keys.
