

# Parcel Sentry Locking Parcel and Mailbox

QUA-WF-PB007

The Parcel Sentry locking top loading freestanding parcel mailbox features a curved soft closing lid which covers the incoming parcel drop opening. When the lid is raised up, a steel plate lifts inside with lid, then

parcel is placed through top and drops into the locking compartment (when lid is closed) keeping contents safe from unwanted hands. Built from thick heavy gauge galvanized steel, this parcel box has a tough black powder coat finish. The locking retrieval door is fitted with a butterfly lock and comes with a set of keys.

- Handcrafted from solid, heavy gauge galvanized steel
- Maximum parcel size: 12L x 12W x 5-1/2H inches
- Includes lock and set of keys
- Easy installation
- Tough powder coated finish
- Dimensions: 40L x 15.5W x 10D inches
