

# Provincial Brass Mailbox - Wall Mount

QUA-MB-400-PB

Rustic handcrafted old world charm comes to life in the Provincial Collection. These elegant (vertical) wall mount mailboxes are handcrafted one at a time from heavy gauge brass and copper in the old world tradition. Note the brass mailboxes have a lacquer finish to help protect them. To help preserve the polished finishes, we recommend a clear, no buff car wax. Clean the mailbox periodically with warm soapy water and a soft cloth, rinse and dry with a soft cloth. Then apply no buff car wax. This Polished Brass mailbox is not recommended for corrosive salt-air locations. Please note that this mailbox is constructed by hand, so the finish may show some scuff (sanding) marks. This is part of the rustic character of this finish and is not a defect.
