

RS Barcelona RS Max 8 Player Indoor/Outdoor Foosball Dining Table

RSB-DTRMAX

8 is the perfect number for playing. 10 is the round number for sitting around our most playful table. And 44 is the number of players who'll be in action on the field. Going big. Taking it to the max. The RS MAX Dining is the dining table version of our RS Max foosball table. An unforgettable, maxed-out experience.

As we did first with our RS2 foosball table and, later on, with our RS3 Wood, we've also created a foosball-dining table version of our RS MAX. An outsized table for outsized fun. This is a table for sharing. For sharing more laughter, more goals and more excitement. For maximum fun without limits.

With a height of 100 cm (39.4 in), it's a tall table that will be the centre of attraction wherever it stands, whether in a bar, in the common area of a workplace, in the games room of a private dwelling or on a porch. Accompanied by a set of counter-height stools (76 cm / 30 in), it creates the perfect setting for meetings and maximum fun around the table.

Customization Note: The table can be further customized to order with additional colors. Please contact us for a quote: 800-762-5374,
