

RS Barcelona RS Max 8 Player Indoor/Outdoor Foosball Table

RSB-RSMAX

Go big. Take it to the max. The RS MAX foosball table shows that although two is company, three is not a

crowd; an even eight is the perfect number to exploit the potential and benefits of this foosball table.

The RS Max is the long brother of the RS3 Wood foosball table. We've stretched it out and resized it to double the fun, accommodating eight players instead of four. This makes it the ideal game for community spaces and group settings. More players. More laughter. More goals. More excitement.

It's manufactured in high-quality materials in order to withstand intensive use by lots of players, not to mention inclement weather in the case of outdoor use. Its robust structure provides stability for precise, perfect gameplay.

Customization Note: The table can be further customized to order with additional colors. Please contact us for a quote: 800-762-5374,
