

# RS Barcelona You and Me 112" Bench

RSB-BYM28-285

The You and Me benches are the perfect companions for the You and Me ping pong table, created in order for you to get the very most out of your table after you've finished your ping-pong game.

With this goal in mind, Antoni Pallejà Office designed a full set of benches, ranging in length from 9.3ft. to just

a 20" practical stool. All the sizes are suitable for both outdoor and indoor use with seats that come in hardwearing iroko wood.

While you play games, optimize space by sliding the benches under the table. Everything has been designed to make the very most of the You and Me collection. But there's life beyond the ping pong table for our You and Me benches, which also make great companions for many other tables.

You can add special cushions to make them even more comfortable.
