

## RS Barcelona You and Me Small Indoor/Outdoor Ping Pong Table

RSB-YM18

There's time for everything with a You and Me. Time for children to have their breakfast as the clock ticks

down for the start of school. Time to invite some friends round for dinner and wind down after a hectic day. There's also time to enjoy the nice weather, with barbecues, birthday cakes and other outdoor celebrations. There's even time to get serious and use You and Me as your work desk. And it goes without saying that there's plenty of time for many hours of ping pong too.

Because, first and foremost, You and Me is a ping pong table, with dimensions, a playing surface, a design and a structure that offer full playability. Just like a professional table.

When not in use, all the sporting elements – the net, the paddles and the balls – are stored in a discreet side drawer, completely out of sight. And the table is ready for other uses.

Manufactured with high-quality, hardwearing materials, the table is ready for daily use and play. The black or white HPL top – the surface used in standard ping pong tables – is perfect for outdoor use. Designed to withstand inclement weather and temperature changes, it's also easy to clean and maintain.

Customization Note: The table can be further customized to order with additional colors. Please contact us for a quote: 800-762-5374,
