

SUNHEAT Misting Fan Cover - Black

SHI-5000023

The specifically designed CoolZone CZ500 cover is made to protect your CZ500 from the outdoor elements. This CZ500 cover is made from polyester that resists cracking, fading, tearing and mold build-up. It's resistant to water and adds extra protection from the elements. This cover comes in a black color that works with the CoolZone CZ500 ultra-sonic misting fan by allowing you to tie down the cover using a cinch.
