

# SUNHEAT Misting Fan Mosquito Repellent Replacement Mats

SHI-604002

Keep disease carrying pests away! Made specifically for the CoolZone CZ500, this pack contains 20 100% natural, non-toxic, mosquito repellent tabs each lasting up to 12 hours. Simply insert the tab into the back of the CoolZone by SUNHEAT, turn on the mosquito repellent function on the fan by either the remote control or on the front of the unit, select a fan speed and say goodbye to skeeters at your next bbq, gathering or campout.
