

SUNHEAT Square Tabletop Patio Heater

SHI-PHSQ-

The Original SUNHEAT Restaurant quality patio heater features a contemporary square design and a decorative variable flame to heat up any outdoor gathering. The unique pyramid shape provides functionality and style that will warm and accentuate your patio or deck. The enchanting flame will safely light up the night as it dances inside a glass tube. The 8.5-inch triangle reflector hood evenly spreads the 11,000 BTUs of heat across your outdoor space, up to 5 feet in diameter. You can adjust the flame and the heat output by simply turning the temperature control knob which is located behind the front panel. The push-button ignition system makes this unit simple and safe to operate. This industrial quality heater will run up to 3 hours on the highest setting. The PHSQ-TT models come with a one year warranty. Whether it's a family gathering or a business party The Original SUNHEAT patio heater will add warmth and style to any occasion.
