

SUNHEAT Tripod for Wall-Mounted Electrical Heaters

SHI-WLTripod-Black

Heavy-duty, high quality, sturdy and adjustable tripod for Sunheat wall mount heaters. Base is engineered with a low center of gravity for better stability. The rubber soles of the legs allow for better grip on slick or uneven surfaces. Pre-drilled peg holes in the stand with a quality pin inserted into these holes allows for easily adjustable and safe preset heights. Folds easily for storage and transport. The regular tripod is a high quality, sturdy and adjustable tripod for Sunheat wall mount heaters, but just a bit shorter than our standard Sunheat & Beat model and not quite as heavy duty.

- Fits Sunheat wall mount heaters and many other brands
- Constructed of heavy duty aluminum making for the quality stand available
- Set to any height you desire
- Easily folds up for storage
- Low center of gravity for extra stability
- Adjustable height
- Folding for easy transporting
- Dimensions: 32"L x 32"W x 75"H; 5.5 lbs.
