

SUNHEAT Wall-Mounted Electric Patio Heater- 3000W

SHI-WL-30B

SUNHEAT heaters use a patented quartz lamp surrounded by an emitter. The gold coated emitter is designed to deliver a hotter, more instant heat. Unlike other outdoor heaters, SUNHEAT wall mounted heaters give a very low glare, but you will feel warm and comfortable immediately. Suitable for wall mounting (Wall Mounting Bracket Included) Warranty: 1 year. Body manufactured from powder coated aluminum. Ideal for outdoor use. Unique and patented lamp design. Highly efficient due to a very effective reflector and a glass-free front face. Supplied with wall bracket. BLACK Commercial/Restaurant 240v 60Hz 3000w Single phase Outdoor Heater. Gold Lamp, IP55 Rated, CE approved. 10 ft Cable length. Plug available by request.
