

Treasure Garden 190 lb Rolling Umbrella Base

TRG-BASE-13R

This Treasure Garden 190 lb Rolling Umbrella Base is ideal for large umbrellas, especially cantilever. The frame alone is 190 lb, and it holds up to 230 lb of sand in four carefully-constructed containers on the interior of the base. A convenient foot pedal allows the user to easily unlock the wheels and move the umbrella to a different location.

- Use with large umbrellas
- Steel base frame
- Built in pedal to easily unlock wheels for positioning
- 190 lb frame weight
- 230 lb sand weight needed (not included)
- 34L x 34W x 7.5H inches
- Available in different colors
