

Treasure Garden 8' x 10' Rectangular Auto-Tilt Umbrella

TRG-UM8810RT_SWV

The 8' x 10' Rectangular Auto-Tilt Umbrella by Treasure Garden can be made in many different fabrics for a truly customized look. The umbrella can easily be raised or lowered with a traditional crank. Crank the umbrella beyond the fully upright position, and the umbrella will tilt to block the sun. This is a great patio umbrella for large tables and lounge sets. It is made with a sturdy, rust-resistant aluminum frame in Bronze or Black. It features a single wind vent for wind resistance. We recommend an 80 lb base or larger to accommodate this patio umbrella.
