

# Treasure Garden Black 70 lb Steel Umbrella Base

TRG-BS709

The Treasure Garden Black 70 lb Steel Umbrella Base is perfect for larger umbrellas that need more anchoring weight. The 2 in. diameter stem is dual-purpose with two heights to accommodate low chat tables and standard height dining tables. The stem also comes with a reducer ring to work with 1.5 in. poles. This base's low profile makes it perfect for outdoor tables with low clearance designs. The finish on this base is black matte for durability and scratch resistance.

- Two heights to accommodate different table heights
- Hardened steel
- 19L x 19W inches; 70 lbs
- 2" stem
- Not intended for free standing applications
