Constructed with premium weather-resistant vinyl, this Vita planter box ensures healthy, safe food production and a long product lifespan. It is maintenance-free and built to last. The sides slide easily into place without the need for tools or screws. It is perfect for growing herbs or flowers.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
