

Vita Classic Cambridge Vinyl Raised Planter Extension Kit

VTA-VA68215

The Classic Cambridge Planter Extension Kit will extend the Cambridge Raised Planter (VTA-VA68211) to six feet in length. This extension will create a larger planting area for growing vegetables or displaying decorative plants and flowers. Crafted from durable BPA/phthalate-free vinyl, it's easy to maintain and ensures a long product lifespan.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
