

# Vita Classic Cambridge Vinyl Raised Planter and Extension Kit

VTA-VA68216

The Classic Raised Planter with Extension Kit is ideal for growing vegetables or displaying decorative plants and flowers. Its raised design allows for easy accessibility and reduces bending and stooping. The lower shelf offers storage space for your pots, potting mix, or gardening accessories. Crafted from durable BPA/phthalate-free vinyl, it's easy to maintain and ensures a long product lifespan.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rwanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
