

Vita Classic Kensington Vinyl Planter Box and Trellis

VTA-VA68221

Constructed with premium weather-resistant vinyl, this Vita planter box with trellis ensures healthy, safe food production and a long product lifespan. It is maintenance-free and built to last. The sides slide easily into place without the need for tools or screws. The attached traditional lattice grid supports climbing flowers and plants to create a dynamic accent wall or privacy screen.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their

personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
