

Vita Collingwood Cedar Arbor

VTA-VA68893

Offering a timeless and vintage appeal, this beautiful arbor creates a welcoming entrance to any yard, garden, or pathway. This arbor is crafted from cedar wood and treated with an environmentally-friendly, water-based stain.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
