WQS-VTA-VA84258

The Cottage Picket Gate is a charming outdoor accessory that compliments and enhances your arbor entrance. Crafted from a durable BPA and phthalate free vinyl, it's simple to build and easy to maintain. The gate comes with quality stainless steel black powder-coated hinges and latch.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
