

# Vita Mezza 22" Cedar Cube Planter

VTA-VT17711

Crafted with beautiful, sustainably-sourced FSC certified cedar, the Mezza Cube Planter embraces the timelessness of wood with a modern minimalist twist. Cedar contains natural preservatives that help it resist insects and decay. Each board is treated with a distinctive water-based stain that's environmentally friendly. Boards slide into posts easily and conveniently and assembly can be completed quickly with minimal tools and labor.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.

- Materials: 100% FSC certified cedar lumber treated with water-based stain; posts are anodized aluminum
- Color: Golden Brown
- 1 year warranty
- Easy to maintain and clean
