

Vita Mezza 22"x35" Herb Farm - Golden Brown

VTA-VT17718

With its elevated design and effortless functionality, the Mezza Herb Farm is perfect for growing vegetables, herbs, or flowers. It is crafted from sustainably sourced FSC certified cedar, which contains natural preservatives that help it resist insects and decay. It is BPA/phthalate-free ensuring healthy, safe food production.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
