VTA-VT17633

Distinctive design and effortless functionality, the Urbana Parklette Planter with Trellis is perfect for growing herbs or flowers. It is crafted from a composite material that offers the natural look of wood but with the lightweight durability of vinyl. It is BPA/phthalate-free ensuring healthy, safe food production. It is perfect for the outdoors as it is easy to maintain and clean.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda.
