

# Vita Urbana 4'x4' Gray Garden Bed

VTA-VT17600

Distinctive design and effortless functionality, the Urbana Garden Bed is perfect for growing deep root vegetables, herbs, or flowers. The Urbana collection is crafted from a composite material that offers the natural look of wood but with the lightweight durability of vinyl. Dual aesthetic boards can be reversed to allow for either a natural wood grain look or brushed finish. The garden beds are BPA/phthalate-free ensuring healthy, safe food production.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
