

Vita Urbana Gray Large Parklette Trellis

VTA-VT17624

Distinctive design and effortless functionality, the Urbana Parklette Trellis is perfect for adding to your

Urbana Parklette Small Planter. It is crafted from a composite material that offers the natural look of wood but with the lightweight durability of vinyl. It is BPA/phthalate-free ensuring healthy, safe food production. The lattice allows for plants to grow easily up it, and it is simple to maintain and clean.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
