

Vita Urbana Greens Elevated Garden - Slate Gray

VTA-VT17632

Distinctive design and effortless functionality, the Urbana Greens Elevated Garden is perfect for growing vegetables, herbs, or flowers. They are crafted from a composite material that offers the natural look of wood but with the lightweight durability of vinyl. The raised planters are BPA/phthalate-free ensuring healthy, safe food production. They are perfect for the outdoors as they are easy to maintain and clean.

It's Vita's conviction that good starts with giving. As a company, they are committed to looking beyond their personal lives and asking, what can we give? One project that Vita supports is The Inn of the Good Shepherd. It is a homeless shelter and food bank that distributes over 6,000 lbs of fresh produce into their local community each week. They also support global non-profits. These include The Sanmen Youwei Library in China and Thrive in Kageyo, Rawanda. With training and tools, they empower people to grow an abundance of healthy, organic, disease-fighting foods.
