All-weather upholstery and synthetic wicker mean you can stay outside rain or shine. Offered in two

sophisticated finishes with endless fabric choices, the Sonoma collection is laid-back living for life.

As firm believers in the art of craftsmanship, Woodard has acquired Whitecraft Furniture, which is the longest-lasting wicker company in the U.S. While wicker is known for its strength and durability, those attributes are overshadowed by the ingenuity and elegance of Whitecraft furniture. Built to last, Whitecraft by Woodard is the beautiful woven patio furniture counterpart to Woodard's wrought iron and aluminum lines.
