Fine Garden Furniture

ASSEMBLY INSTRUCTIONS FOR THE MT-14/15

STEP-I

Unpack, inspect and lay the chair on a clean, flat, soft surface to avoid marring the wood.

STEP-II

Up right the chair and lower the seat into position by pulling out on the front of the seat.

STEP-III

Pull out the locking pin and push the seat down until it falls into place. Release the locking pin, making sure that it drops into the predrilled hole in the brass hardware. Using this chair with the locking pin out of position may cause damage to the seat. Please make sure locking pin is always locked in place before attempting to sit in the chair.
